the craft*

Cairo FACE  
World summit 2025

**From April 30th to May 2nd, 2025**

• Join us at the prestigious **Waldorf Astoria  
Hilton Heliopolis** Hotels for Cairo Face 2025. to  
explore the latest innovations and redefine the  
future of facial aesthetics.

cairo.face.summit

## ***Welcome to Cairo FACE***

Cairo Facial Aesthetic Conference & Exhibition is a premiere event dedicated to advancing knowledge and expertise in facial aesthetics. We believe that beauty is both art and science. Our event gathers an extraordinary international assembly of leaders at the forefront of facial aesthetics. At Cairo FACE World Summit, distinguished professionals come together to pioneer advancements, deliver cutting-edge presentations, and provide immersive hands-on training sessions. This is where global experts drive transformative innovations, share the latest scientific insights, and collaboratively shape the future of facial aesthetics, elevating the field to new heights. Join us for an unparalleled experience that inspires growth, excellence, and progress in facial aesthetics.

## ***Our Vision***

is to lead the world in facial aesthetics by fostering a collaborative and cutting-edge environment that drives innovation and sets new benchmarks in both practice and research. Cairo FACE is dedicated to empowering experienced professionals and future leaders in aesthetics, offering insightful presentations, hands-on training, and immersive learning experiences that showcase the latest advancements and methods.

Dear Muhammad Riaz

**Re: Cairo FACE World Summit 2025**

Thank you for your application for CME approval of the above. I am pleased to inform you it has been approved for CME by BAPRAS. Participants may claim 1 CME credit for each hour of education, excluding any time spent on refreshment breaks. On this basis, credits for full attendance are allocated as follows:

Course	Location	Date	CME Credits Awarded
Cairo FACE World Summit 2025	Waldorf Astoria Hotel, Cairo, Egypt	30 <sup>th</sup> April 2025	10 points
		1 <sup>st</sup> May 2025	10 points
		2 <sup>nd</sup> May 2025	10 points
		3 <sup>rd</sup> May 2025	10 points
		4 <sup>th</sup> May 2025	10 points
			Total- 50 points

The course organiser is expected to retain a list of those who participated in the meeting, as well as a copy of any completed evaluations, for at least 5 years.

The Education Committee of the British Association of Plastic Reconstructive and Aesthetic Surgeons reserves the right to send a Committee Member to attend and validate your course unannounced, to confirm that the course as submitted for CME points does satisfy the criteria.

Please do not hesitate to contact me if I can be of any further assistance.

Yours sincerely

Ms Reena Agarwal  
Honorary Secretary

# CME Accreditation

THIS IS AN OFFICIAL DOCUMENT ISSUED AND DISPENSED BY THE AMERICAN ASSOCIATION OF CONTINUING MEDICAL EDUCATION® AND VOIDED IF IT DOES NOT BEAR THE ASSOCIATION'S GOLD SEAL OF ACCREDITATION AS WATER MARK

## AMERICAN ASSOCIATION of CONTINUING MEDICAL EDUCATION®

**Brief Transcripts  
Conference  
Cairo Face Summit 2025  
May 1-2, 2025**

### Accreditation Statement

This activity has been planned and implemented in accordance with the Association's Accreditation Standards & Policies through joint-sponsorship with the **Cairo Face Summit**.

**Misr2000 Medical Conferences, Egypt** is accredited by the **American Association of Continuing Medical Education®** to sponsor continuing medical education for physicians and allied health professionals.

The Organizing Committee of the **Cairo Face Summit 2025** takes responsibility for the content, quality and scientific integrity of this CME activity.

The Organizing Committee of the **Cairo Face Summit 2025** this activity for educational purposes only.

Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine.

The content of the presentations is provided solely by presenters who have been selected because of their recognized expertise.

### Credit Designation

The Accreditation Review Committee (ARC) of the **American Association of Continuing Medical Education®** designates this medical education activity for a maximum of **19.50** hours in the Category 1 credit of the Association's Designation. Each participant must claim only those credits that he/she actually spent in the activity.

### Conflict of Interest Disclosure

It is the policy of the **American Association of Continuing Medical Education®** to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs.

All faculty participating in continuing medical education activities sponsored by **Misr2000 Medical Conferences, Egypt** are required to disclose to the program audience any real or apparent conflict of interest related to the content of their presentations.

All faculty are also required to disclose any discussions of unlabeled/unapproved uses of drugs or devices.

**Joint-Sponsor: Cairo Face Summit**

Cairo FACE  
Facial Aesthetic Conference And Exhibition.

**Day 2**  
**May 2nd**

**01:30 - 03:25**

## 360° Rejuvenation: Strategies for Natural facial Balancing

**Moderator:** Samir Ghoraba

**Chairs:** Patrick Treacy, Bassem Barsoum, Amin Sharobim, Lee Walker

• This session offers a deep dive into advanced approaches for lower face toxin applications and full-face aesthetic harmony. Attendees will gain insights into strategic live demonstrations addressing muscle modulation, structural contouring, and the evolving challenges of facial volume changes due to weight loss medications.

01:30 - 02:00	Restoring Natural Facial Balance using RHA	⏮ Live Demo	TEOXANE		Lee Walker UK
02:00 - 02:10	Skin Biohacking: The Ideal Mix!		ULTIMATE		Mohamed Abouhadeed Egypt
02:10 - 02:25	Toxin treatment of lower face, platysma, trapizus	⏮ Live Demo			Christopher Rowland Payne UK
02:25 - 02:35	The Booster Blueprint: Hydrate, Heal & Illuminate	⏮ Live Demo	D.I.V.E.S		Shohreh Ghasemi USA
02:35 - 02:45	Revitalizing Ozempic Faces				Sheher Bano Khan Pakistan
02:45 - 03:15	Full face approach	⏮ Live Demo			Omar Haroon Switzerland
03:15 - 03:25	Benchmark in Exosomes industry and practical cases study from my practice				Nancy Labib UAE

# Hall A Schedule

**Non-Surgical**

**Day 2**  
**May 2nd**

**03:25 : 04:20**

## Disasters of the masters: Complications

**Moderator:** Mohamed Abo Hadid

**Chairs:** Sheher Bano Khan, Yahia Hashish, Riham Ashoush

• This essential session brings together decades of expertise in managing aesthetic complications, offering a comprehensive overview of the most critical challenges in filler and toxin treatments.

**03:25 - 03:55** 20 years of treating aesthetic complications

**Patrick Treacy**  
USA

**03:55 - 04:05** Bruises or ischemia: real time complication follow up

**Yahia Hashish**  
Egypt

**04:05 - 04:20** How to prevent and treat vascular and non vascular fillers complications

**Amin Sharobim**  
Egypt

**04:45 - 06:05**

## The Dilemma around the eye

**Moderator:** Hesham Sefy **Chairs:** Javier Beut, Ahmed Abdelaziz, Yousef Nashaat, Ahmed Hossam Abdou

• This focused session explores the intricate anatomy and advanced treatment strategies for the periorbital area. Through cadaver dissections, ultrasound assessments, and live demonstrations, attendees will gain deeper insight into safe and effective approaches for under-eye rejuvenation.

**04:45 - 05:00** Periorbital Anatomy for injectors

**Live Cadaver**

**Javier Beut**  
Spain

**05:00 - 05:15** US assessment of the perorbital region

**US Mapping**

**Ahmed Abdelaziz**  
Egypt

**05:15 - 05:25** Undereyes : How to achieve results & avoid complications

**Yousef Nashaat**  
Egypt

**05:25 - 05:40** Blend technique

**Live Demo**

**Javier Beut**  
Spain

**05:40 - 05:50** 3D-Periorbital Liquid Fix

**Shumaila Qasim Khan**  
Pakistan

**05:50 - 06:05** Sunken eye treatment

**Cristina Muñoz**  
Spain

# Hall A Schedule

Non-Surgical

Day 2  
May 2nd

06:05 - 07:30

## Trends of collagen revival: beyond skin rejuvenation

**Moderator:** Adam Elshafei **Chairs:** Nadine Hamada, Fadi Hamdani, Nancy Labib, Hend Fayez

• This session delves into the evolving landscape of skin rejuvenation through internal bipolar radiofrequency, advanced injectables, and biostimulatory agents. Featuring live demonstrations and practical insights, the segment highlights synergistic treatment strategies using collagen stimulators, skin boosters, and cutting-edge technologies to remodel and tighten the face and neck.

06:05 - 06:35

Internal Bipolar Radiofrequency in Face, Neck Remodelling & Tightening

Live Demo

Fadi Hamadani  
Palestine

06:35 - 06:50

Profilo and Profilo Structura: unlocking the power of synergy for a multilayer approach

Hend Fayez  
Oman

06:50 - 07:00

Introducing Jalupro sleek technique for the first time in Egypt

Live Demo

YoopMEDICAL

Sara Eltoukhy  
Egypt

07:00 - 07:10

Day 1  
May 1st

03:10 - 04:20

## The Nasal Dorsum

**Moderator:** Mohamed Abdelkader

**Chairs:** Hamed Tarban, Amr Gouda, Hashim Ayad, Saad Elzayat

• An in-depth exploration of dorsal and bony work in rhinoplasty—covering advanced techniques in augmentation, preservation vs. structural strategies, ethnic considerations, and solutions for complex nasal reconstruction

03:10 - 03:20 How I approach the bony pyramid?

Fazil Apaydin  
Turkey

03:20 - 03:30 Dorsal Augmentation with diced cartilage and temporal fascia

Karim Massoud  
Egypt

03:30 - 03:40 Preservation versus structural rhinoplasty: strategies for nasal dorsum management

Amr Gouda  
Egypt

03:40 - 03:50 Structural rhinoplasty in deviated noses

Mohamed Abdelkader  
Egypt

03:50 - 04:00 Ethnic nose surgery

Ahmet Alp  
Turkey

04:00 - 04:10 Rhinoplasty to enhance facial attractiveness- my philosophy

Fahad Mirza  
Pakistan

04:10 - 04:20 Spreader flaps in 6 steps

Ahmed Zeina  
Egypt

# Surgical Courses

## Deep Plane Face-lift Cadaveric Course

### Course Highlights:

- Led by expert faculty, the course provides an immersive learning experience enhancing surgical precision, technique, and confidence in performing deep plane facelifts.
- Advanced facial anatomy dissection, focusing on key ligaments, nerves, and vascular structures critical for safe and effective facelift execution.
- Designed for aesthetic practitioners seeking to master deep-plane approaches, this hands-on training will enhance surgical precision, improve

**Mike Nayak**

**Samir Ghoraba**

- An exclusive, full-day Deep Plane Facelift Cadaveric Course led by the renowned Dr. Samir Ghoraba and Dr. Mike Nayak.

**InterContinental Citystars**

**May 3rd**

**Surgical**

## Rhinoplasty Cadaveric Course

Süreyya Şeneldir

### Course Highlights:

- Keynote lectures on all facial areas with clinical, and anatomical correlation.
- Advanced techniques for treating the forehead, eyebrows, temples, orbits, nose, cheeks, lips, jaw, and chin.
- In-depth discussion on the rheology of hyaluronic acid and its clinical applications.
- Complication management: Protocols for vascular occlusion, nodules, granulomas, and more.
- An advanced hands-on training designed for surgeons to refine their rhinoplasty skills on fresh-frozen cadavers. Each cadaver is allocated to 2 delegates for hands-on practice, with space for 4 observers to closely follow the procedures.

# **Cadaveric Workshop On Facial Bone Osteotomy & Tmj Surgery**

## **Course Highlights:**

- Hands-on cadaveric training with expert guidance.
- Piezosurgery for safer & precise bone cutting.
- 3D surgical planning & patient-specific guides In-depth.
- Genioplasty training with multiple techniques.
- TMJ surgical approaches & arthroscopic visualization.
- Certificates of completion & networking opportunities.
- Master computer-guided osteotomies for facial aesthetics and function.

**Islam Kassem**

- Join this intensive one-day cadaveric workshop designed to provide plastic surgeons, otorhinolaryngologists, and maxillofacial surgeons with advanced expertise in facial osteotomies and TMJ surgery.

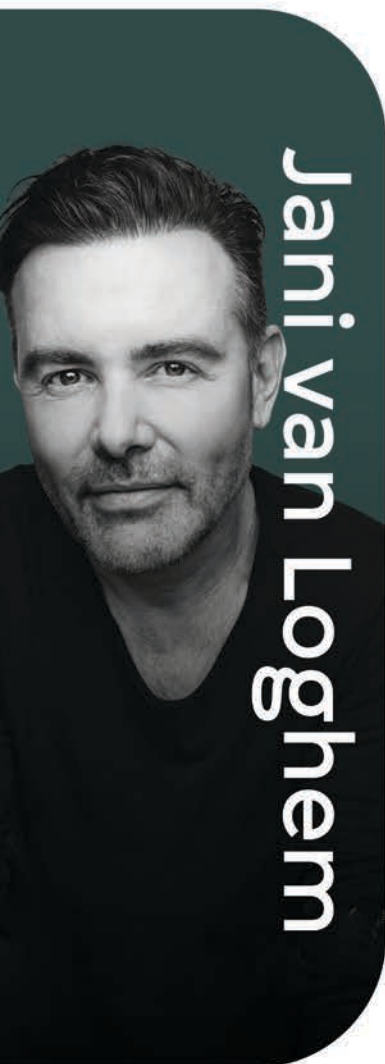

**InterContinental Citystars**

**May 5th**

# Non-Surgical Courses

## Facial Transformation And Regeneration

Jani van Loghem

### Course Highlights:

- In-depth understanding of facial anatomy and aging processes.
- Advanced dermal filler techniques for volumizing and contouring the face.
- Identifying key treatment areas: cheeks, temples, jawline, chin, and more.
- Patient consultation and customized treatment planning.
- Managing patient expectations and ensuring safe, predictable outcomes.

Dr. Jani van loghem and dr. Job thuis will demonstrate live injections for: frontal concavity, temples, sunken upper eyelids, and more.

- Master Aesthetic Precision with UMAAcademy and Dr. Jani van Loghem.

Non-Surgical

# Ultrasound in Aesthetic Medecine

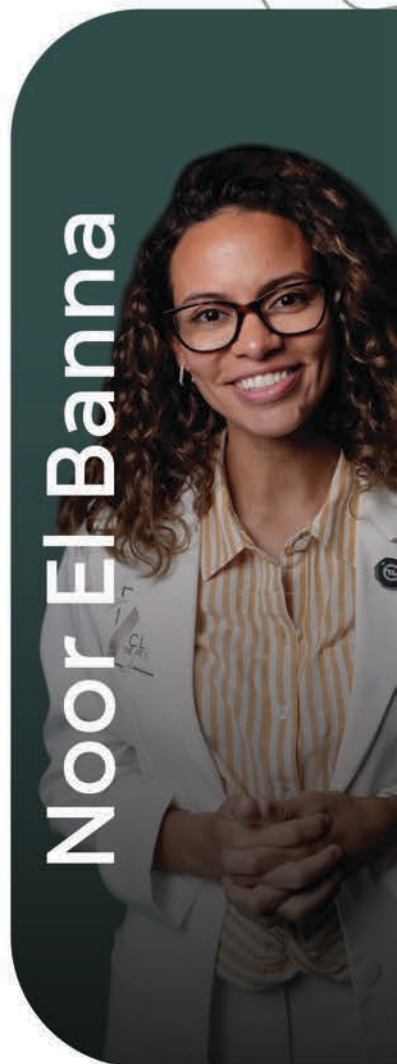

## Course Highlights:

- Fundamentals of Ultrasound in Aesthetics Master the core principles of ultrasound technology and how to effectively apply it in aesthetic procedures, including dermal filler injections.
- Filler Injection Planning & Product Selection Understand how to assess facial volume loss, choose the right filler products, and refine your injection techniques for natural, long-lasting results.

Ahmed Abdelaziz

Noor El Banna

- Exclusive hands-on training designed to revolutionize the way you approach aesthetic medicine. Led by Dr. Ahmed Abdelaziz and Dr. Noor Elbanna.

Waldorf Astoria & Hilton Heliopolis

April 30th

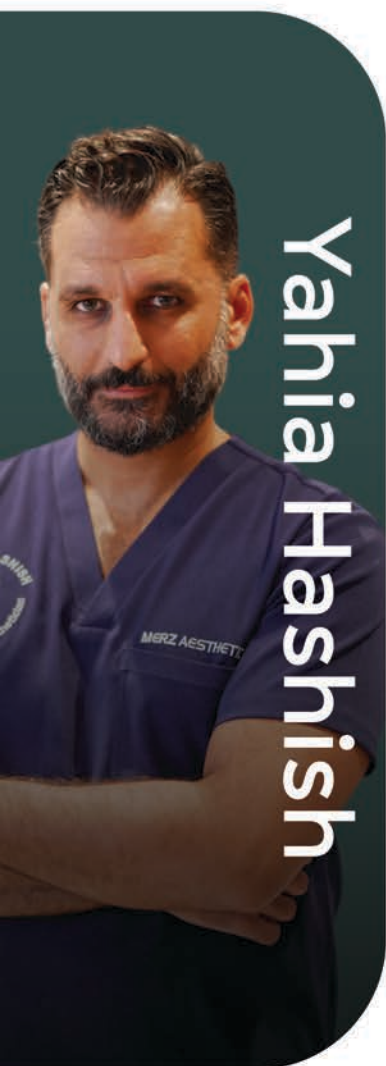

## Non-Surgical

# Nonsurgical Nose Job

### Course Highlights:

- **Personalized Training:** Gain direct supervision and tailored guidance from Dr. Yahia Hashish, ensuring a focused and enriching learning experience.
- **Live Demonstration:** Watch Dr. Hashish perform his revolutionary "Inverted Y Rhinoplasty Technique" on a model, showcasing unparalleled safety and exceptional results.
- **Hands-On Practice:** Apply your skills with one syringe of HA filler included, under the expert oversight of Dr. Hashish.
- **Ongoing Support:** Benefit from continued online mentorship for case discussions and expert advice post-training.

- Elevate your aesthetic practice with the Non-Surgical Nose Job Masterclass led by the renowned Dr. Yahia Hashish, creator of the signature "5-Minute Nose Job".

**Non-Surgical**

## Russian Lips Masterclass

### Course Highlights:

- In-depth anatomical illustration of lip structure and vascular considerations.
- Step-by-step breakdown of the Russian lips technique with detailed graphic video guidance.
- Personalized training with direct supervision from Dr. Dina Hassan.
- Live demonstration on a model, ensuring real-time application and feedback.
- One syringe of dermal filler included for practical application.
- Full access to exclusive educational materials for continued learning.

• Led by the esteemed Dr. Dina Hassan, this exclusive one-on-one training is designed for practitioners seeking to refine their expertise in the advanced Russian lips technique.

**Waldorf Astoria & Hilton Heliopolis**

## April 30th

Non-Surgical

# The Journey of Non-surgical Rhinoplasty

## Course Highlights:

- **In-Depth Facial Anatomy:** Gain a comprehensive understanding of nasal anatomy, vascular structures, and danger zones to ensure safe and effective treatments.
- **Patient Selection & Consultation:** Learn how to assess candidates for non-surgical rhinoplasty, set realistic expectations, and create customized treatment plans tailored to each patient's needs.
- **Advanced Injection Techniques:** Master precise filler placement to correct nasal imperfections, improve symmetry, and achieve natural, harmonious results with minimal product.
- **Complication Management:** Understand potential risks and early detection of complications.

- **Unlock the art and science of non-surgical rhinoplasty in this expertly designed course led by Dr. Moataz Nosseir. Whether you are a beginner looking to establish a solid foundation or an experienced injector aiming to refine your techniques.**

April 30th

Non-Surgical

# Mastering Collagen Stimulation With Aesthefill

## Course Highlights:

- **Personalized Training:** Receive direct supervision and expert guidance from Dr. Sara Eltoukhy, ensuring a hands-on and immersive learning experience.
- **Live Demonstration:** Observe Dr. Sara Eltoukhy perform advanced Aesthefill injections on a live patient, demonstrating precise techniques for safe and effective collagen stimulation.
- **Hands-On Practice:** Gain practical experience by performing injections on real patients under expert oversight, refining your technique for optimal, natural-looking results.
- **Comprehensive Learning:** Master the science of PD-LLA biostimulation, proper product preparation.

Sara Eltoukhy

- This exclusive training program is designed for aesthetic practitioners seeking to master Aesthefill (PD-LLA), a cutting-edge collagen biostimulator that enhances facial volume, improves skin quality, and promotes natural rejuvenation.

Waldorf Astoria & Hilton Heliopolis

April 30th

**Non-Surgical**

# Profile Balancing

## Course Highlights:

- In-depth understanding of facial anatomy and aging processes.
- Advanced dermal filler techniques for volumizing and contouring the face.
- Identifying key treatment areas: cheeks, temples, jawline, chin, and more.
- Patient consultation and customized treatment planning.
- Managing patient expectations and ensuring safe, predictable outcomes.

Dr. Jani van loghem and dr. Job thuis will demonstrate live injections for: frontal concavity, temples, sunken upper eyelids, and more.

- Discover the art and science of Profile Balancing with Dr. Omar Haroon, a leading expert in aesthetic medicine.

**Non-Surgical**

# **Cadaveric Liquid Facelift Art and Science**

## **Course Highlights:**

- Comprehensive understanding of the liquid facelift concept and its applications.
- Advanced facial anatomy tailored to non-surgical facelift techniques.
- Techniques for restoring volume, enhancing contours, and achieving full-face rejuvenation with injectables.
- Live demonstrations by Dr. Marios Loucas, and Dr. Rafael Loucas on cadaveric specimens.

• **Transforming Aesthetics with Precision and Expertise.** This specialized Cadaveric Liquid Facelift – Art and Science course, led by the renowned twins Dr. Marios Loucas, and Dr. Rafael Loucas

**Waldorf Astoria & Hilton Heliopolis**

**May 3rd**

**Non-Surgical**

# Facial Fillers Masterclass

## Course Highlights:

- Keynote lectures on all facial areas with clinical, and anatomical correlation.
- Advanced techniques for treating the forehead, eyebrows, temples, orbits, nose, cheeks, lips, jaw, and chin.
- In-depth discussion on the rheology of hyaluronic acid and its clinical applications.
- Complication management: Protocols for vascular occlusion, nodules, granulomas, and more.

**Nabil Fakih**

**Cristina Muñoz**

• Two-day intensive masterclass, led by renowned experts dr. Nabil fakih and dr. Cristina muñoz, is designed to elevate your skills in advanced facial fille techniques.

**Waldorf Astoria & Hilton Heliopolis**

**May 2nd & 3rd**
